

LATINSIDE OF THE DOC

November, 30th 2009

FIRST LSD/DBA (November 25 to 27, 2009) : 300 ATTENDANTS IN BUENOS-AIRES.

60 Europeans have travelled to Buenos Aires to meet Latin-American documentary makers from Chile, Bolivia, Peru, Mexico, Columbia, Uruguay, Paraguay, Brasil and Argentina... 35 deciders were able to discover 20 pitched projects, and meet individually all of the producers. ITVS, ShowTime Networks, Latin Public Broadcasting/PBS, TéléQuébec, l'ONF, YLE, Multicanal, ARTE, RTBF, Music Box on one hand and La 7, Encuentros, Canal(a), ISat Space, TAL TV, Volver, Primer Plano & Americine (Argentina), TVN Chili, TVN Uruguay, Tele Sur (Venezuela) on the other.

Latin Side of the Doc/Doc Buenos Aires was organised by Sunny Side of the Doc and Doc BsAs with the support of the INCAA, of ARTE and the CNC.

The second edition will take place next year, still in Buenos Aires, with the Ventana Sur market, organised by the INCAA (Argentina) and the Cannes Film Market, with the support of Media International.

The Sunny Side of the Doc prize for the Best European Project was given to the AMIP (Xavier Carniaux) for "The Hand of the Vatican" by Jean-Michel Meurice, coproduced by ARTE.

The Best Latin project, Awarded by the INCAA, was given to "Fuera de Lugar" (Out of Place), by Diego Mondaca, from Chile - Production : Pucara Films and Manosudaca.

Other awarded Latin projects :

- "Cedron", by Fernando Perez - Production : Magma Cine (Argentina), award for the best project from Cono Sur.
- "Geometria y misterio" by Ignacio Aguero - Production : Lupe Films (Chile) ARTE award for the most creative project.
- "Sonidos vivos" by Luis Quequezana - Production : Cabina Libre (Peru) Award for the best experimental project.

Also, Canal (à) has awarded "Resonancia" by Mateo Herrera - Production : Sarahi Echeverria (Ecuador), and the Odyssey award went to "Peron Peron" by Blas Eloy Martinez - Production : Micromundos (Argentina).

The launch of the new satellite channel OYSSEA AMERICA LATINA announcement was made during the Latin Side of the Doc and the event Ventana Sur, which is a joint venture between Pramer and Multicanal Chello. It will be broadcasted in 2010, throughout the whole continent. It will be exclusively documentary oriented.
